This is to confirm that:

1. I have carefully studied the requirements of the Guidelines on Product Filing Procedures in relation to the design and rating of insurance products.
2. The rates, terms and conditions of the above-mentioned product are determined on a technically sound basis and are sustainable on the basis of information and claims experience available in the records of the insurer.
3. An adequate system has been put in place for the collection of data on premiums and claims based on every rating factor that will enable review of the rates and terms of cover from time to time. It is planned to review the rates before the next tender.
4. The requirements of the Guidelines on Product Filing Procedures have been fully complied with in respect of this product.
